

KNF ASSOCIATES LIMITED

The Ingenuity of Service

COMPANY PROFILE

ABOUT US

KNF is a Zambian owned general construction company that specializes in providing quality construction services to residential, commercial, and industrial clients. KNF aims to build a reputation for excellence in construction management, design-build, and general contracting services.

Our main focus is to provide our clients with superior construction, general engineering and supply services, while building strong and enduring relationships with them through excellent customer service. Our team of highly skilled professionals is committed to delivering exceptional results on every project we undertake. We have the expertise to handle everything from site preparation to project completion, including civil engineering, structural engineering, architecture, and project management.

At KNF, we understand that each project is unique, and we work closely with our clients to ensure that their specific needs and requirements are met. We pride ourselves on our attention to detail and our ability to complete projects on time and within budget.

Some of our key services include:

- Design-build
- Construction management
- General contracting
- Pre-construction planning
- Site preparation
- Civil engineering
- Structural engineering
- Architecture
- Project management
- Building renovation and restoration

VISION & MISSION

Vision

To be a leading construction and general engineering and supply company, recognized for our commitment to excellence in service delivery, innovation, and sustainability.

Mission

Our mission is to provide our clients with high-quality construction and general supply services that meet their specific needs, delivered on-time and within budget. We strive to build long-lasting relationships with our clients by providing exceptional customer service and fostering a culture of teamwork, integrity, and innovation. We are committed to promoting sustainable practices that help protect our environment and improve our communities.

OUR VALUES

Our culture is built upon our core values, and the values drive our day to day actions. Here are some of our KNF's values:

- **Teamwork:** We foster a collaborative culture that encourages teamwork, open communication, and mutual respect.
- **Integrity:** We are committed to **honesty, transparency,** and **ethical** practices in all aspects of our work.
- **Quality:** We prioritize delivering high-quality workmanship and services that meet or exceed our clients' expectations.
- **Customer Service:** We are dedicated to providing exceptional customer service and ensuring that our clients' needs are always met.
- **Innovation:** We embrace innovative solutions and technologies that improve our services and promote sustainability.
- **Safety:** We prioritize the safety of our employees, subcontractors, clients, and the public by maintaining strict safety standards and protocols.
- **Sustainability:** We are committed to promoting sustainable practices that protect our environment, conserve resources, and contribute to the well-being of our communities.
- **Professionalism:** We maintain a high level of professionalism in all our interactions and strive to continuously improve our skills and knowledge.

CORE SERVICES

General Building and Housing

We specialize in constructing buildings for residential, commercial, and industrial purposes, including all related installations and exterior works.

General Civil Engineering Works

We offer a wide range of services, including:

- Construction of bridges, harbors, ports, and related structures
- Precast and pre-stressed concrete works, foundation engineering with piling, and structural steel engineering
- Piping, fabrication and sheet metal, fencing, and steel fixing
- Public health engineering works, including water, drainage, and sewerage infrastructure
- Dams, earthworks, and irrigation systems

General Roads and Earthworks

We specialize in:

- Bituminous surfacing and paving applications
- Drainage structures
- Off-carriageway and on-carriageway rehabilitation and maintenance
- Road furniture, signage, and markings
- Earthworks.

Specialized Works

We also offer a variety of construction-related services, including plumbing, carpentry, painting, tiling, electric wiring for buildings and fencing, landscaping, and steel fixing.

Construction Management Services

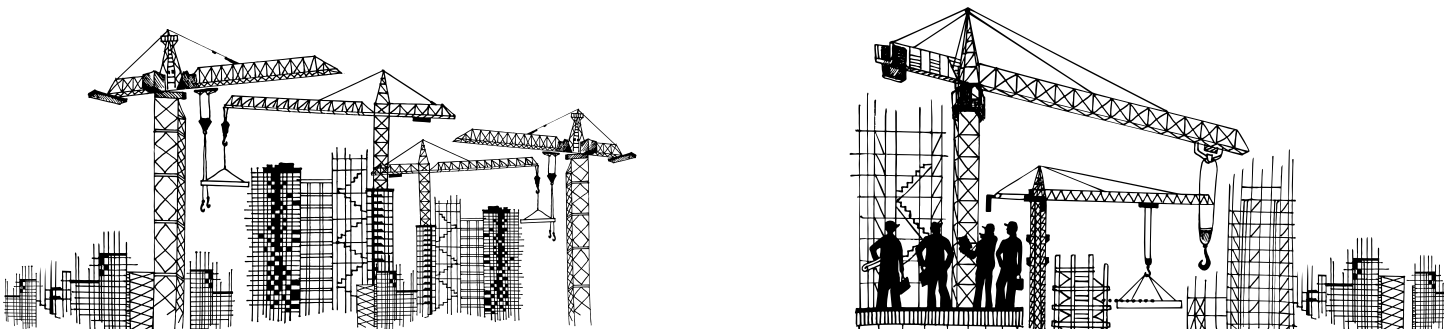

Our construction management services are designed to provide our clients with an expert team that can manage the entire construction process from start to finish. This includes overseeing project schedules, budget management, site safety, and quality control.

General Contracting

As a general contractor, we are responsible for the overall management of a construction project. We work with a network of skilled subcontractors to ensure that every aspect of the project is completed on time and to the highest standards.

Project Management

Our project management services are designed to ensure that every aspect of a construction project is well-planned, organized, and executed. We will oversee the entire project from start to finish to ensure that it is completed on time and to the highest standards.

SAFETY POLICY

Here is a brief outline of KNF's safety policy:

At KNF, we take safety seriously and are committed to providing a safe and healthy work environment for all employees, subcontractors, clients, and the public. We maintain strict safety standards and protocols, and continuously strive to improve our safety performance through ongoing training and education. Our safety policy includes:

- Identifying and assessing potential hazards before starting any work.
- Providing appropriate safety equipment and training for all employees.
- Ensuring that all work is carried out in compliance with relevant health and safety regulations and codes.
- Regularly monitoring and reviewing our safety performance to identify areas for improvement.
- Encouraging open communication and reporting of safety concerns to prevent accidents and injuries.
- Conducting regular safety audits and inspections to identify potential hazards and address them promptly.

OUR TEAM

KNF has a team of skilled and experienced professionals who are committed to delivering high-quality workmanship, on-time completion, and exceptional customer service. Our team consists of project managers, engineers, architects, contractors, subcontractors, and support staff who work together to ensure that our clients' construction and general supply needs are met. We believe in fostering a collaborative culture that encourages teamwork, open communication, and mutual respect, and we strive to continuously improve our skills and knowledge to better serve our clients.

WHY CHOOSE US

KNF stands out as the right choice for your construction and general supply needs. Our commitment to quality workmanship, exceptional customer service, skilled professionals, wide range of services, safety prioritization, cost-effective solutions, timely completion, and strong relationships make us a reliable and trusted partner. We have the expertise, experience, and resources to deliver successful projects that meet our clients' needs and exceed their expectations.
