## INTRODUCTION

ASTRIM COMMUNICATIONS LIMITED was established in the year 2007, to meet the growing demand for industrial, mining and public services. The company offices are centrally located in the town of Mansa, and for proximity to the Market and Sources of most of materials; it has its branch Office in Lusaka.

From inception, ASTRIM COMMUNICATIONS LIMITED has enjoyed a lot of support from the existing clients and it continues to grow and expand its operations. It is one of the fastest growing suppliers of stationery and Office consumables, Computer peripheral and consumables, Secretarial work, Electrical and Electronic accessories, hardware, road culverts, water pipes, pumps/valves, General civil works/construction and general supplying.

The Company has offered its services to the G.R.Z, N.G.Os, private firms and individuals involving rehabilitation, extension and modification works. It has a wide range of skilled resources in terms of manpower and equipment.

## HIERARCHICAL STRUCTURE

## **VISION**

ASTRIM COMMUNICATIONS LIMITED's vision is to become the leading supplier and contractor by providing quality innovative products and solutions which are supported by the quality delivery systems and excellent services. The company has been formed to provide the interface between manufacturers of products and the consumers of these products and services.

## **AIM**

The aim of this company is to provide the same high quality service levels expected in the international business arena. ASTRIM COMMUNICATIONS LIMITED is seeking agency and distribution agreements with a number of prestigious international companies. We will still maintain the relationship as a primary supplier of these products assuming full responsibility for the overall delivery and support within total solutions.

## **MISSION STATEMENT**

In realizing this vision, ASTRIM COMMUNICATIONS LIMITED will take steps to be the best in having access to the range of technical, business, technological and specialized skills within and outside its business partner networks so as to achieve sustained growth in share holder value and meet expectation of all stake holders: thus becoming number one in every aspect of sale, profit, market leadership and people.

## **VALUES**

Underlying the mission are philosophies and value of professionalism, quality, business ethnics, social responsibilities, financial stability and fairness in dealing with customers and staff.

In the implementation of our corporate strategy, commitment is restated to the following principles:

1. We value our Clients/customers.
2. We approach every aspect of our work with the highest standard of integrity.
3. We approach our work as a professional team.
4. We treat each other as we wish to be treated ourselves.

## **SUMMARY STRATEGY**

The mission of ASTRIM COMMUNICATIONS LIMITED will be achieved by implementing key deliverables of it's strategies of perfecting on the basis of:

- Proper Corporate Governance and internal control.
- Best customer services and product class.
- Right people: staff development, employees are encouraged to display ambition, intelligence, innovation, commitment, passion and expertise in all business judgments.
- Price competitiveness.
- Sustained revenue, growth, management and yield.
- Cost control and reduction.
- Improved operating efficiencies
- Optimization of alliances with manufactures and renowned distributors.
- Strong IT base.

### **❖ Success**

We will work for the success of our customers, our company and each other. We understand and respect the value, the contributions and achievements of each colleague. We will support personal growth through education, trainings

and new opportunities. We will never be content of who we are or what we have accomplished, but always inspired by what is yet to come.

#### ❖ **Service**

We always remember that we are a service company. Each and every customer is valued as a part of whom we are and will be tomorrow. We will work to our customer's trust and loyalty. And more than simply responding to customer needs, we will work to anticipate them.

#### ❖ **Technology And Innovation**

Our products are grounded in technology and innovation. We believe that research development, quality and good performance are a key to our future. We have earned and will continually strive to earn our reputation in this industry. Our dedication to technology innovation is motivated by the desire to provide services and products that contribute to the growth of our clients/customers.

We share in the responsibility of providing the world with new advancements.

### **PRODUCTS AND SERVICES**

The aim of our products/services is to offer our clients/customers best solutions i.e. qualitable, faster, cheaper, easier and effective.

We source the products with the ABC's of the products fundamentals:

- Talented
- Responsive
- Efficient
- Experienced
- Driven

### **When failure is NOT AN OPTION, ASTRIM COMMUNICATIONS LIMITED is the only choice**

When we order products for applications or operations, there is no room for doubt, for we believe Maximum durability is not just desired, but is required by all our clientele/customers. Through a large chain of suppliers, we endeavor to look out for the property and share the miracles of science with our customers/clientele. This makes us reliable. Above all, in our equation of value, reliability does not have to cost more, but make you save a lot.

### **PRODUCTS**

1. Computers, Computer peripherals and consumables.
2. Office consumables and general stationeries.
3. Office furniture
4. Food stuffs
5. Electrical and electronic equipments and accessories.
6. Civil construction materials and general hardware.
7. Water reticulation and steam equipment; Pipes and pipe accessories, valves, pumps.
8. General hardware

## SERVIVCES

### 1. ENGENEERING SERVICES

We believe outsourcing our engineering services is not only about costs, it's about maximizing your Institutions' potential.

Outsourcing allows you to:

- Manage risks
- Conserve capital
- Gain access to expertise
- Adapt your resources
- Discover new growth
- Beat your competition to the market

Call us a unique, risk managed, phased approach that deliver all the benefits of outsourcing without associate risks.

### 2. CIVIL
