1. INTRODUCTION

Intrepid Builders Limited is a Zambian owned company founded on 19th January 2011 with the purpose of offering our clients high quality Civil, Road and Building Construction including Design & Build, Project and Facility Management.

Our Company has highly experienced, competent and exposed management and construction staff with wide range of experience across Africa and the United Kingdom. Intrepid Builders prides itself with works involving:

- Construction of new buildings - commercial, industrial, residential etc.
- Civil engineering and road construction including construction of storm drainages, river crossings i.e. bridges, culverts etc.
- Renovations, rehabilitations and maintenance of buildings.
- Landscaping to commercial buildings
- Project Management of resident development.
- Design and Construction of residential buildings

Our Company also has other business interests which include general supplies of: personal protective equipment (PPE), office equipment, ICT equipment, pipes & accessories etc.

Our Business Approach and Philosophy entails engagement with our clients to ensure a holistic approach to any project which includes project monitoring by our qualified personnel to ensure product quality; community development and involvement to ensure social economic development objectives of the communities achieved through employment creation, and skills development.

2. OUR VISION

To become the customer's most preferred choice by attaining excellence in quality and timely completed value added projects.

3. OUR MISSION

Our mission is to be a first class upcoming construction providing quality buildings, civil engineering works at fair and market competitive prices. We will ensure innovative application of engineering capabilities and technology that inspires and rewards excellence whilst maintaining and promoting the highest ethical, safety and environmental standards for all our business stakeholders.

4. PERFECT DELIVERY

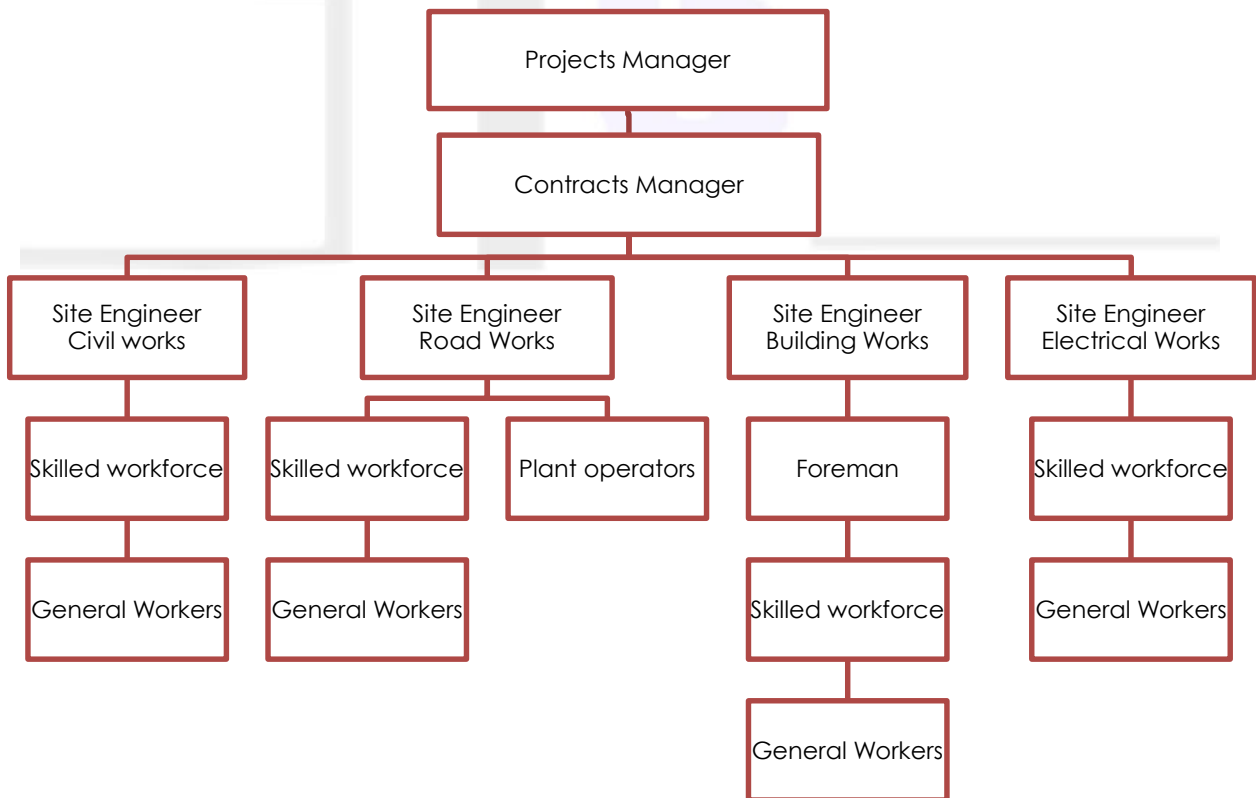

We value honesty, integrity, transparency, professionalism, excellent service and ethical values in supporting the objectives of our valued clients delivering projects to agreed timelines, budget and quality. By this, we aim to delight our clients and build strong relationships.

5. OUR ORGANISATION

Intrepid Builders Limited has well established and strong management led by experienced and professional teams, registered with applicable professional bodies, to run project sites. Management philosophy recognizes that the construction industry is heavily dependent on people and encourages independence and personal responsibility among its staff. With this in mind, our management ensures that all employees are afforded equal opportunities in the fields of training, career guidance, mentoring and employee benefits.

The founder of the company is a qualified Quantity Surveyor with more than 20 years of vast experience in the construction industry ranging from buildings, civil and roads in Africa and the United Kingdom.

Below is our company organogram for our projects:
