INTRODUCTION

Bakata Contractors and Suppliers Limited is a wholly owned Zambian company which takes its toll in water network systements and supplying of various laboratory equipment and consumables. We also undertake general construction and engineering works in all sectors.

MISSION & VISION

Our mission is to deliver high-quality, cost-effective water network systems and associated works on schedule by employing and supporting motivated, flexible, and focused teams.

Our clients count on our dependability, our drive, and our integrity. We take great pride in durability and sustainability of works.

We are an organisation with a vision to become the model of success and promise in the growing Zambian market.

PRINCIPAL CONTACT PERSONS

The following are our principal contact persons.

1. Mr. Christopher Ng'ambi - Managing Director

Cell: 0969 544505

2. Mr. Wantula Sinkamba - Water Engineer

Cell: 0978 980231

ORGANOGRAM

Bakata Contractors and Suppliers Limited is well-organised and goal-oriented. In all this, we aim at giving our clients our utmost.

In our top management we have a number of able men and women with soundness and brilliance. We also have competent ground staff who also provide necessary leadership on the ground to benefit our clients.

Below is our organogram.

SERVICES

We are big enough to face up to the challenges of the industry and yet small enough to ensure that every customer receives personalized service.

SERVICES

a) Road Construction and Rehabilitation

We undertake road grading, construction, as well as rehabilitation. Our road construction services take into consideration the behaviour of road materials in relation to expected loads and deterioration mechanisms. We have the experience and expertise to test and assess the performance and durability of road materials and products.

b) Civil sitework and Structural Concrete

We do civil sitework including clearing, trimming, drainage layout, and a solid foundation. We also do concrete works as a fundamental element of water and sewerage construction. From treatment plants to booster stations, and reservoirs to well sites, few projects take shape without it. Bakata is capable of sourcing heavy equipment and has highly skilled operators to meet any project's civil sitework needs.

c) Design and Build

Our design/build services eliminate your responsibility for coordinating activities between the designer and the builder—our single contract covers architecture, engineering and construction services. We undertake projects in residential, multi-residential, public trading facilities, educational facilities, medical facilities, sport, etc.

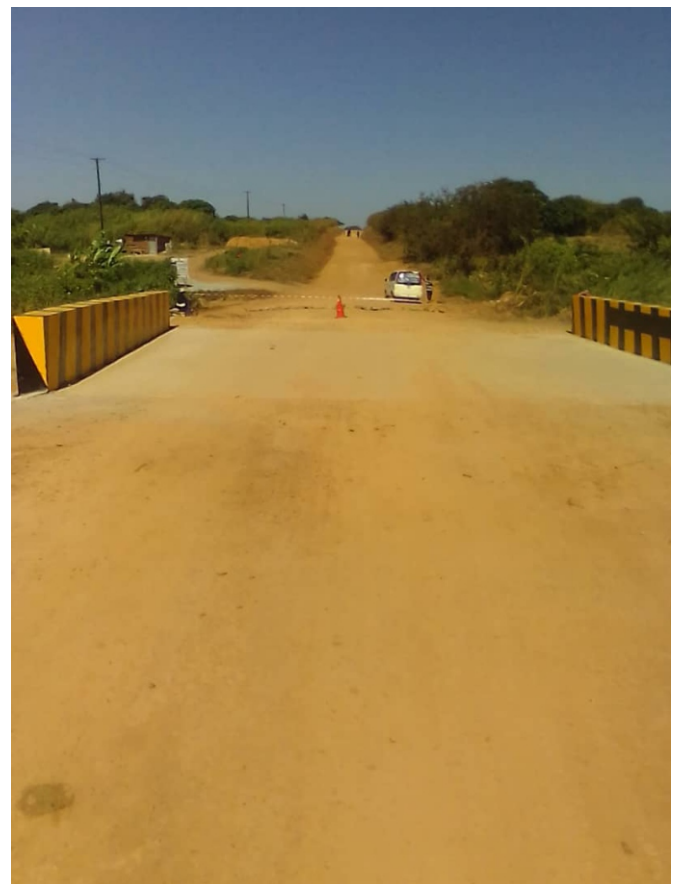

d) Water systems construction

We design and plan facilities from ponds to pipe network trenches to treatment plants for both water and sewer.

e) Mechanical Equipment Installation and Pipe networking

Bakata is capable of installing any and all mechanical plant equipment in water and sewerage facilities. We are also capable of self performing installation of piping from small process pipe to large diameter piping systems.

PRODUCTS

PRODUCTS

Our Product range includes the following

a) Electrical

- Measuring Instruments
- Circuit Breakers, Earth Leakages,
- Control Relays and Contactors
- Fuses and Accessories
- Electric Motors
(Low, Medium and High Voltage)
- Switchgear
- Power Line Transmission Accessories
- Insulation Materials

b) Welding (Supported by Capstar Investments Ltd-UK)

- Torches
- Machines
- Electrodes
- Regulators
- Nozzles
- Gloves, Lenses and Helmets
- Goggles
- O-Clips
- Aprons
- Lugs
- Electrode Holders
- Flashback arrestors
- Flint Guns
- Trolleys
- Clamps
- Welding and Cutting Sets

Products

c) Personal Protective Equipment

- Dust Coats and Work Suits
- Eye and Ear Protection Equipment
- Safety Shoes and Belts
- Hard Hats and Cap lamps

d) Bearings

- Bearings
- Taper Locks
- Seals
- Adapter Sleeves
- Plummer Blocks
- V-Belts
- Sprockets and Chains

e) Valves

- Pinch Valves
- Ball Valves
- Safety Valves
- Slurry Valves
- Diaphragm Valves
- Butterfly and Gate Valves
- Check Valves
- Globe Valves

Products

f) Conveyor belts

- Rollers and Spring Impact Systems
- Belt Cleaners
- Conveyor Belts

g) Medical (Supported by Capstar - UK)

- Oxygen, Vacuum and Laughing gas
- Combination Valves and Regulators for oxygen and other gas mixtures
- Advanced gassavers and oxygen concentrators
- Ward equipment and accessories
- Mobile oxygen systems including manifolds for ambulances, ventilators and associated equipment

h) Electrical Instrumentation (Supported by Static Pow

- Major Battery Charger Units 6V DC - 250V DC Up To 10 000A.
- Switch Tripping Units 6V DC - 250V DC.
- Telecommunication DC Equipment Typically 48V DC Up To 1000A
- Regulated Power Supplies Typically 6V DC - 220V DC Up To 400A.
- Switch Mode Converters - AC/DC or DC/DC.
- DC Emergency Lighting.
- Furnace Control Equipment Up To 550V - 5M³
- Transformer Rectifiers
- Nicad/Lead Acid Batteries
- Solar Regulators
- DC to DC Converters

Kitwe.

Dear Sir,

Project: RDA/CE/ONE/005/016 Tender for Routine Maintenance of Trunk, Main and District Roads in Copperbelt Province

Subject: Measured Works for Lot 37.

The above caption refers.

Following our recent inspections for the month of March, 2020 we observed that the road on which you are carrying out the routine maintenance activities has deteriorated. Hence, we hereby instruct you to implement the following works after the end of rainy season based on rates in the BoQ under measured works;

1. Bill No. 2.1 (a) Light reshaping (b) Medium reshaping and (c) Heavy reshaping
2. Bill No. 2.2 (a) I (construction of pavement layers of gravel material)
3. Bill No. 2.5 (b) Provision and installation of permanent Road traffic signs

These works will be subject to our inspection during execution and upon completion prior to certification for payment. We remain available should you require any clarification.

Yours faithfully,
Road Development Agency- Copperbelt Region
