INTRODUCTION

GNM Projects Limited is a Zambian Construction company with majority share-holding by Zambian citizens. GNM Projects Limited is a part of GNM (Pty) Ltd t/a Alkenna Projects of South Africa. We deliver high quality General Building, Road Construction and Electrical & Telecommunications including Civil Works.

BACKGROUND

GNM was established with the purpose of providing clients with a construction entity, which will perform construction and building services of a high quality.

The aim of the firm is to create a

talented pool of resources with a mix of skills and abilities to serve the need of a growing economy. The skills base in GNM range from civil engineering, quantity surveying, electrical engineering, Telecommunications, Road Construction, lease of earth moving equipment, servicing of mining sector, general supplies and project management to general building.

OPERATIONS

The firm's central office is based in Lusaka but we operate nationally.

GNM PROJECT OPERATIONS TEAM

GNM has a core team of highly

qualified professionals which ensures delivery of quality turn-key projects.

Mission

GNM seeks to establish and maintain a position in the construction industry as a provider of high quality building and construction services.

Through committed teamwork, GNM will ensure the delivery of construction services that clients need, in the manner they need it – reliably, on time and at the highest level of integrity and quality.

Objective and Goals

The objectives of GNM include the following:

- Be a reliable building construction partner of choice
- Ensure delivery of construction services that clients need, in the manner they need it – reliable, on time and at the highest level of integrity and quality
- Build on reputation as a reliable business partner.

Values

We value our customers and will strive to:

- Establish continuous, long standing relationship with our clients
- Maintain an organization in which all our clients will receive personal attention as every client is important to us
- Build a reliable team able to act with integrity in meeting client needs

Our quality service begins with us understanding the client's business and its vibrant needs. We will seek to understand your building requirements and ensure that in preparing plans we contribute by advising where appropriate.

We will endeavour to ensure that during the project operations we cause as minimal disruption to our clients operations as possible considering that business continuity is key.

Dear Sir,

RE: INTRODUCTION OF M/S GNM PROJECTS LIMITED

1. Reference is made to your letter dated 27 June 2016 on the subject matter.
2. We write to acknowledge the receipt of your application for registration as a constructor and supplier of various goods and services to the Zambia Air Force under M/S GNM Projects Limited. Kindly be informed that your company profile has since been scrutinised. Our evaluation has so far indicated that your company is eligible to conduct business with the Zambia Air Force in various goods and services listed under the Zambia Public Procurement Authority and National Council for Construction certifications.
3. In view of the above, be informed that your company has since been shortlisted for prospective business opportunities with the Zambia Air Force.

4. Looking forward to a mutual business relationship.
