Roadmix Construction Company Limited has a vision to be amongst Zambia's leading civil contractors.

We intend to grow our business and be recognised as a leading Zambian civil contractor by demonstrating the highest degree of quality, value, and integrity to our customers and stakeholders.

SAFETY

Roadmix Construction Company Limited recognises the paramount importance of ensuring a healthy, safe and accident free workplace for all our employees, contractors, and visitors.

QUALITY

Roadmix Construction Company Limited provides the technical expertise to deliver excellence in road, bridge and pavement engineering, and in all associated civil works.

SUSTAINABILITY By undertaking all our civil projects in a manner that ensures the protection of the natural and artificial environment, we demonstrate our commitment to being an ethical and environmentally conscious civil engineering contractor.

INNOVATION

In applying ingenuity, innovation and adaptability, we ensure our clients' needs are met and their expectations exceeded.

PEOPLE

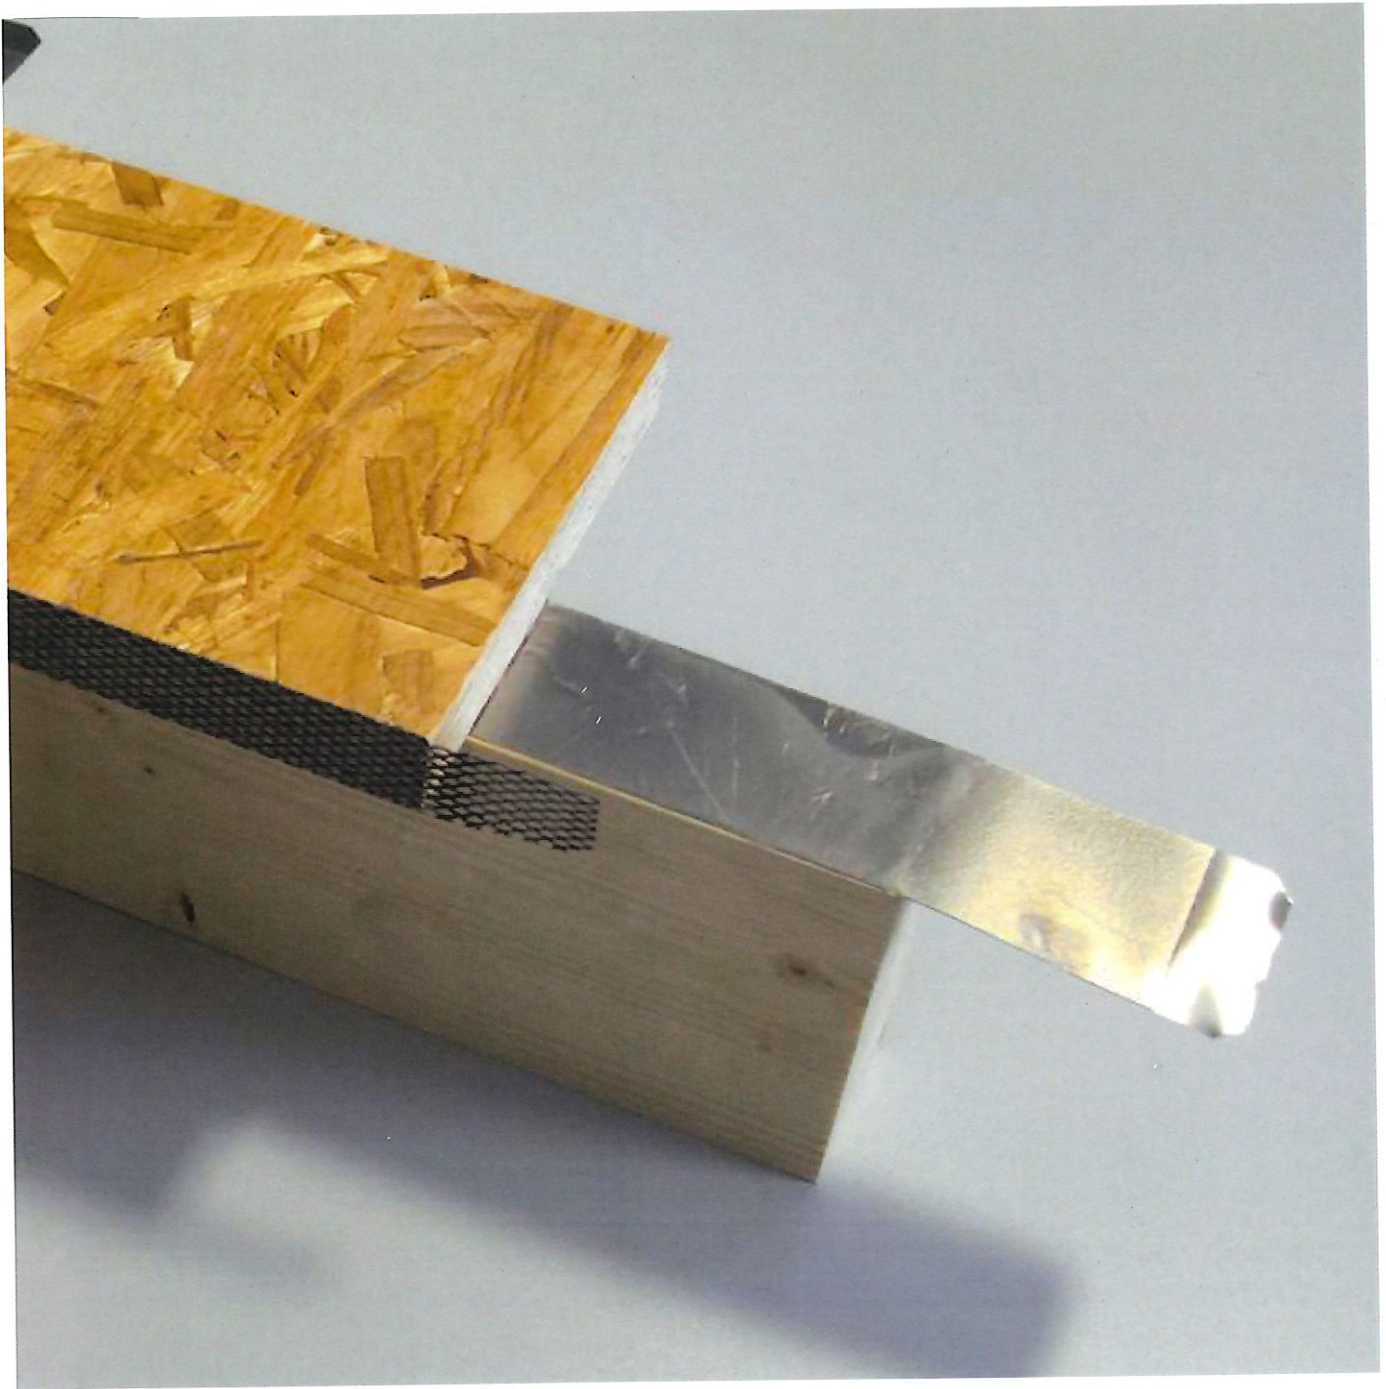

By creating a workplace of shared responsibility, our employees are recognised for their initiative, professionalism, teamwork and the trust they engender in our customers, subcontractors, and the community.

To be professional, ethical, innovative and environmentally sound. That is our Mission.

Roadmix Construction Company Limited delivers high quality and innovative transportation infrastructure in an ethical and environmentally sound manner by supporting and encouraging the professional development of our employees, and by being responsible to the communities in which we work.

Committed To
Transparency, Technology
And Teamwork.

In pursuing the highest performance and being a business of first choice, we continually innovate. We conduct our business in an open manner. Our strongest assets are our people and their ability to lead by example. That is why Roadmix Construction Company Limited personnel will continue to apply ingenuity to project management. As a proficient contractor, we recognise that improvements can be continually made. We also understand the changing nature of the industry and we are continually planning to adapt and benefit from these changes. We embrace ethical behavior and we are determined to maintain our reputation as a trusted civil contractor.

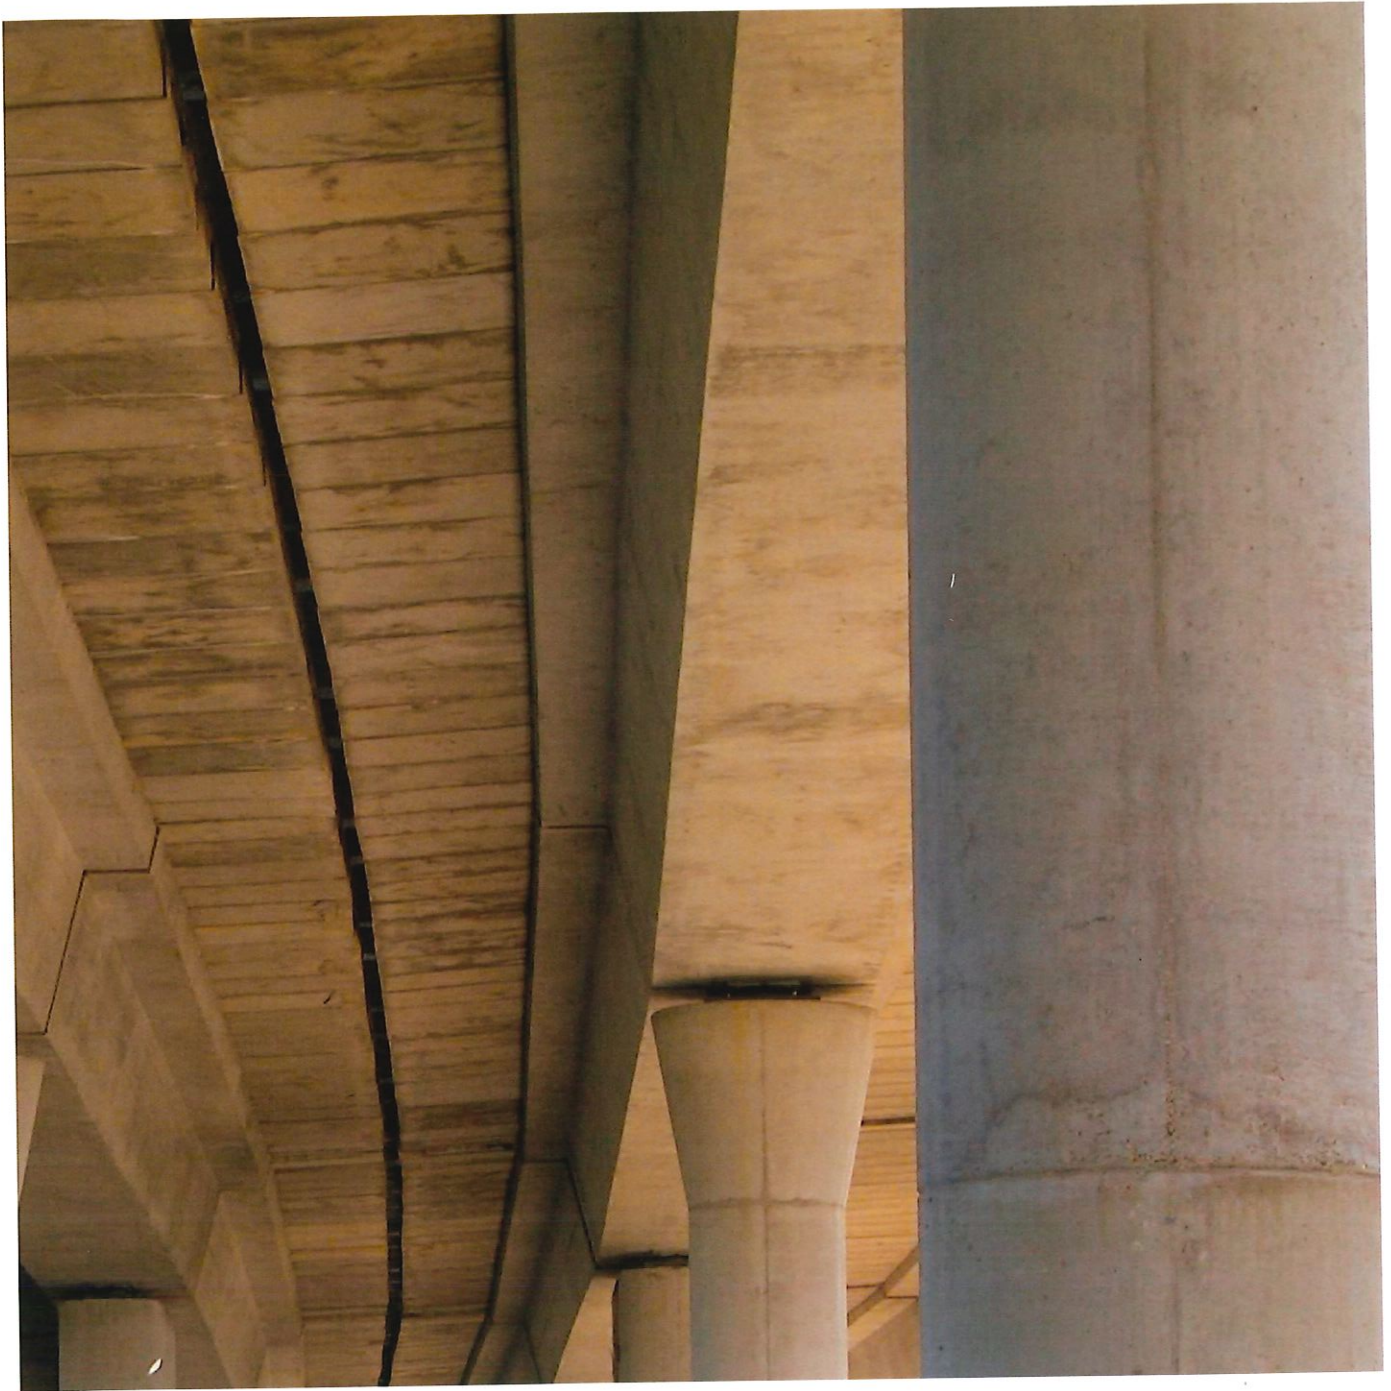

Our Chairman and Managing Director Mr Kennedy Muma is a visionary leader and team player who has vast experience and has worked in different organisations in Zambia.

Mr Morgan Mumbi is the Director for Projects and has vast knowledge in site management and quality control of the works according to specs of the clients.

Our Business Development Director Mr Naphtali Tundu worked as a Director of Operations in big mines in Ndola and Chililabombwe he has great skills in managing wide range of personnel and machinery, and is a famous Business Consultant.

Excellence Stems From Integrating Systems

Roadmix Construction Company Limited believes that engineering excellence can only be achieved by having the right systems in place. That explains why our Safety, Quality, and Environmental management systems are third party accredited by Zambia Bureau of Standard and Standard Specifications for Road and Bridge Works for State Road Authorities (COLTO)- 1998 and why they are fully integrated into all projects and company operations.

Roadmix Construction Company Limited is committed to providing our customers, the community and all our other stakeholders with sound management systems to ensure a high quality finished product is achieved through cost effective, safe, and sustainable means.

Audited Safety Plans And Procedures Reflect Their Importance.

Safety is critical to our company. That is why we implement project-specific Occupational Health and Safety management plans These are regularly audited, both internally and externally, and refined where necessary. We recognise the increased safety risks and hazards for workers in the civil construction industry. So our safety control measures are thoroughly and clearly communicated to all employees, subcontractors, and visitors on every project site, big and small. .

We also acknowledge that achieving a high standard of occupational health and safety involves shared responsibilities and teamwork. Accordingly, the Company is committed to fostering the enthusiastic involvement of every employee, supervisor and manager through consultation, cooperation and participation. This is to ensure that practical solutions to health and safety issues are achieved throughout our workplace.

(Excellence, then, is a state concerned with choice, ... this being determined by reason and in the way in which the man of practical wisdom would determine it. Aristotle (384–322 B.C.)
